I have the honor of calling your attention to the great number of sick in your Regt. mostly diseases of the digestive organs, and expressing my opinion that it is owing in great part to the rations now issued to this command, and recommend that the diet of the men be improved if possible, for many months past, the rations have been of corn meal mush and bacon 1/2 lb per day ^{with} a very scanty supply of beans; much of the time the meal is not sound, as also the meat of very inferior quality, in view of the numerous duties now devolving upon the command together with the bad state of health, I believe, aggravated by meagre diet of months past, I most earnestly recommend some steps be taken to supply better rations.

Dear Sir,

I dislike exceedingly to in-
trude upon your very valuable time, but your kind offer
when it last saw you, to advise and assist me, in-
duced me to write this letter.

I am anxious to take part in the present great struggle for
Southern Independence. Had my constitution permitted
such a thing, I should long since have taken my place
as a private soldier in the ranks of my countrymen. I was
not able however to do so I am determined to be an actor
and participant in the glorious conflict I come to you
Sir, and ask your counsel and assistance. I think I could
soon fit myself for the position of a Junior Lieutenant.
My dear Sir, by your influence you can procure me such
a place. You can send a great power upon a youth
anxious to become a soldier in the Army of the South, I seek
immediate and active service. If I am so fortunate as to
obtain such a position I promise that you shall not be
shamed of me, and I shall devote to my country all the
strength of a loving and devoted son.

I am, Sir, a true and loyal Southern Patriot.

our families all well. Andrew James Edwards has been elected
Captain of the Sampson Rangers. The election was contro-
verted by his opponent Mr Wm Devine, on the ground that
certain votes were given by proxy. They were thrown
out and a new election held, where Andrew Edwards
was elected by an increased majority.

There is nothing of interest going on in our quiet old
town. I believe your family are well.

Pardon me for thus troubling you, and believe me to
be as usual

Clinton N. C. Sept. 13th 1862

His Excellency

Jefferson Davis.

President of Confederate States,

Sir,

I take the liberty
of addressing you this letter in relation to my
son-in-law James C. Hobbs Jr., whose father (Hon
James C. Hobbs) was an intimate friend and ac-
quaintance of yours; and I feel fully persuaded
that any assistance you can render him, will be
highly appreciated by his numerous friends in
North Carolina. James is a very promising young
man, and bids fair to follow in the footsteps of his
father, ^{but} provided his health will justify.

You are aware that he has already received the
appointment of a Lieutenant in the Confederate
Army, and immediately upon entering on the duties
of his office, was assigned to the Staff of General
Stonewall Jackson; but immediately after the removal of Gen.
Jackson to the West, he was advised by his friends,
that the effects of a trip with the General, at that
season of the year, would be fatal to him, in conse-
quence of his feeble state of health, whereupon he was
assigned a position in French's Battery, then
stationed on the James River. James has been

at home for several weeks on Sick Furlough,
but returns on Monday, to assume his duties, though
I do not really believe he is able. He is a resolute
determined boy, feeling conscientious, of the duty
he owes his country, and will save her as long
as breath last; or until peace, an honorable peace,
shall have been restored to our now distracted land.
Now, my dear Sir, if there is any honorable position,
free from much exposure, and not jeopardizing his
now shattered constitution, to which you can ap-
point him, I ask as a great favor, for you to do
so, if not inconsistent with the duties of your
high office. I write this without the knowledge
or consent of James, and as I am a stranger
to your personal, I most respectfully refer you to
our Senators Messrs Davis and Ditch: also to
Messrs Sherman, McDowell in the Senate.

With every sentiment of high regard
I am

Most Respectfully

Capt Dobbins informs me that
he has had some trouble - owing
to his delay in San Antonio.

I would respectfully state that
Capt Dobbins applied to me shortly
after his arrival for transportation
it could not be furnished him
as I had none, which could be
spared from my train. I had
endeavored to procure it, but failed
and finally informed him that
it was impossible to expect it
from me. Upon this statement
he commenced to purchase & at
different times has had my
workmen employed making the
necessary repairs upon the vehicle
thus procured. Owing to the facts
as represented, it will plainly be
seen that it is not the fault of
Capt Dobbins, that he has not
left this place.

I have the honor to be

Asst. Adj't Genl.

I have the honor to enclose for the information of the Maj. Genl. Comdg. an order directing Capt Dobbin Agt. M. to report at Dist. Hd. Qrs. for orders. and two letters bearing upon the subject. I am induced to take this step from the fact that this officer has entirely failed to accomplish the object for which he was sent to the Country contiguous to Matagorda, and upon which I had depended to a great extent and has evinced but little interest in his duties, as is manifested by fact of his following in the footsteps of almost all officers ordered from Houston to this section of proceeding via San Antonio instead of direct. I have no suitable duty to which I can assign an officer, unless he be possessed of indefatigable energy and industry, which I fear are wanting in this officer. The expense of maintaining officers here will not justify me in retaining any who do not render commensurate service.

I have the honor to be

Capt:

I have the honor to acknowledge the receipt of your communication of 30th January relative to Capt Dodson. I am very respectfully that for information that he is under order of date Dec 29. 1875 from Major Stoner C. S. to be sent to report to you H. H. without delay. Capt Dodson states that he was en route to Brownsville but was delayed at this place for want of transportation. I enclose herewith a Com. from Capt Snow, A. L. H. at this post showing his inability to procure it, and hence Capt D. was forced to procure transportation and I know he was unable to procure it sooner. I am of the opinion that his delay here was occasioned by his desire to take family with him & Dr. H. and his inability to procure transportation for them. I have ordered Capt Dodson to report to you H. H. with the least possible delay.

The first of these is the fact that the
 system is not a simple one, but a
 complex one, involving many factors
 and many different kinds of people.

 a static one, but a dynamic one,
 constantly changing and evolving.
 The third is that the system is not
 a uniform one, but a varied one,
 with many different kinds of people
 and many different kinds of things.
 The fourth is that the system is not
 a simple one, but a complex one,
 involving many factors and many
 different kinds of people.

Hon. Jas M. Sedden

Secy of War Richmond Va.

Sir: I have the honor to acknowledge herewith my commission as Chaplain of the 12th Miss Regt. and tender to you my resignation, for the following named reasons.

My Constitution naturally weak has become so much impaired by the exposure consequent to Camp life that I feel myself incompetent longer to perform the duties of that position.

The 12th Miss Regt is now reduced in numbers to some sixty muskets and the Brigade to about 300. There are some other Chaplains present with the Brigade. For these reasons I hope you will be so good as to allow me to return to my church, who are anxious that I should resume my labors with them.

Being sick or "sick leave" and at present under medical treatment. I shall await your action in this matter, unless otherwise ordered.

Very Respectfully

Your Obedt Servt.

Respected Sir

The Chaplaincy of
12th Mississippi Regiment has been
vacant more than seven months

As Commander of that Regiment I
am personally interested in both the
moral and spiritual welfare of the
soldiers composing it & should have
long ago solicited the appointment of
a Chaplain had any approved minister
sought the situation. The Rev John
Dobbs of Mississippi having been recom-
mended I therefore on behalf of the 12th
Mississippi Regiment solicit his appointment

Very Respectfully

Your obedient Servant

General. We have the honor to recommend
the promotion of Col. T. H. Cocke of
the 15th Ark. Infantry to the rank of
Brigadier General. Col. Cocke has been in the service over two
years, has raised two regiments of the
Confederate service and has always
shown himself a good officer and
deserving promotion. More especially
has he proved this at the Battle of
Champion Hill, and during the
Siege of Vicksburg. Believing that
his promotion would be conducive
to the best interests of the service

We have the honor to be General
your most obedient servant.

Having been at Vicksburg since the summer of 1861
& having had occasion to witness his efficiency as an officer
both West & East of the Mississippi, I recommend his promotion
with pleasure

Louis H. Bates Brig. Genl

I cordially unite in recommending

General.

I would respectfully report, in compliance with your orders, that immediately on my arrival here, I obtained an interview with Maj Genl Holmes, and represented the Condition of the emaciated Regiments of your Command, and urged that the good of the public Service required that they should be refilled to prevent their ultimate extinction, and could hope for the accomplishment of so desirable end, only through his timely aid and assistance. He manifested a desire to comply with your wishes, but stated that the Conscripts of this State had already been formed into Companies and Regiments, and Congress had already passed an act permitting the President to accept the same with their present organizations - The Genl has ordered that lists of the Officers and Soldiers which rightly belong to your Command but detained on the West-Side of the Miss, during the past Summer by order of Genl Sherman, be forwarded to him by the 20 inst, but is undetermined as to the ordering them to their proper Commands until he is advised as to how it will effect numerically the Commands to which they are now temporarily attached. He has issued the necessary orders placing all other officers and Soldiers under my belonging to the Army of the West, now in this department, under my Command - a copy of which, is herewith enclosed - Genl Holmes informed me that he had just received orders from the Secretary of War placing the Conscription laws, in his department, under his immediate Control - I then enquired if we could hope to have the Skeleton Regiments, East of the Miss, refilled under the recent Call from 18 to 40, and understood ^{him} ~~and~~, answering

to the proposition, but on the following day I
advised him the communication herewith enclosed,
which was delivered to him by Capt Jett. He
stated it was unnecessary to return a written answer,
but Col Dockery could state to Genl Price, that
the Command East of the Mississippi river should have
the benefit of the recent Call. I shall use my
exertions in having the addresses from the Army of
the West forwarded to their respective Commands, and
will in the meantime await your future orders.

General

I have the honor to tender my resignation for the following reasons:

I have been in the Confederate service since the 11th of May 1862, and have neglected my affairs at home under circumstances render it actually necessary that they should have my personal attentions for a short time.

I have applied for a short leave of absence twice and have been refused on the ground that private business is not considered an excuse for leave of absence - this forces me to the necessity to which I now resort.

I have the honor to hereby confirm
my designation as Chaplain of the 46th Regt. N. C. to take effect the 20th
of September 1864

My reason for so doing are; that having made an honest trial
I find I am physically unable for the discharge of the duties of
my office, and besides, by an arrangement of the Conference of
which I am a member, my place will be supplied by some
one qualified for the post.

Very Respectfully

Dear Father, I have dated this
in the division
Army of the Potomac
Richmond, Va
Feb 16th 1863

Dear

I regret that Maj. J. M. Watts,
commander of the 1st Regt. obtained
a leave of absence for the purpose
of assisting in raising a Battalion
of Sharpshooters in Mississippi.

Officially I have not heard from
him since, but I have from other
sources that he is engaged, by appor-
pointment at the War Department, in
the exchange of prisoners aticksburg.

I shall therefore recommend
the transfer of this Regt.,
Capt. J. M. Watts, who has been
acting in that capacity, promptly
and efficiently, during Maj. Watts
absence.

I have the honor to be,

Very Respectfully,

Private letter from

P. M. Doherty

Captain

In the Month Aug 3 1864.

A friend of mine gave to his son
to-morrow for some grey cloth - judging
like myself that there is for the great
game people. I imagine you have
now influence with King George and
some others and want you to use it for
your friends. I think to look respect-
able when I call on respectable friends
at the Nations Capital. I hope too that
the exercise will be beneficial - in fact
I know it will.

When you get the cloth or
not please write me a letter. We want
to know if you are in the land of the
living.

I have a copy of a discourse on the
life & services of Gen. Washburn by an eloquent
preacher in Ohio (Mr. Stuby). Would you like
to read it?

Kind regards to the madam, but I have
no more sympathy for her - having a husband
too inclined to write a letter.

Very Truly Yours

O. M. Stuby

I send \$10⁰⁰ in this, to purchase the cloth.
Was it common to send \$10⁰⁰ who died in
England? How about all those documents
sent to the Queen?

Dec. 3rd 1864.

S. E. Reid,
Major & Adj. Genl. -

States that the Command
at Fort Fisher, Bald Head,
Sugar Coast & elsewhere are
without Commissaries. -
States appointment of Mr.
S. Doye as Captain & Adj. Genl.

Person of character
known as Mr. Doye
has been forwarded to the Army Genl
with the recommendation that im-
mediate application be made for the
appointment of the L. Doye, as
Captain & Adj. Genl., with rank to report
to Mr. S. E. Reid, Chief of Fort
Whiting's Command. The Doye was
as a Private in the Louisiana 8th
Regiment for nearly three years &
has the best of a physical & moral
ability, to report to the Northern

West Contractor; was for a long
by details for duty with Mr. Reid.
Who, in addition to the duties of
of Chief of Fort Whiting's
Command, is charged with the receipt
& distribution of all foreign
supplies arriving at Wilmington,
with the receipt & forwarding of all
stores arriving from the South
in transit for Virginia; and
as Chief of the 4th District of
North Carolina is charged with the
purchase of provisions & is
compelled to labor largely.
Notwithstanding these combined du-
ties he is without an officer as
an assistant, besides which, the
command at Fort Fisher, 1600 men;
Bald Head, 1600 men; Sugar Coast,
1600 men; Macomb's Island, 700
Regiments & several batteries, as well
a company, are under his control.
Officers to command: it is apparent
therefore, that many necessary de-
tails are neglected. The Doye is
an experienced business man, energetic

and of high moral character
and the interests of the

Office Chief Commissary,

Washington, D. C. Dec 5th, 1864

Col L. B. Northrup }
Commissary General } Col", I would respectfully
call your attention to the need of Commissary
in this Command. At Fort Fisher, with a
garrison of 1800 men, I have no Commissary
at Bald Head with a garrison of 1000,
there is none. At Sugar Loaf with a
garrison of 1000 there is none. At Southville
Brig Gen Hebert Head 2nd, his Chief 2nd Master
is acting Chief Commissary. At Masonboro
Sound where there are several batteries
and two regiments of Infantry there is no
Commissary. I respectfully ask that
either some good officers be ordered
here first time, or that you have some
appointed. If the Secy of War could be
induced to appoint an "S. S. S. S." my
choice a Captain, he would make a
most admirable officer. It is decidedly
better to get rid of bad officers, than to let
the department prevent the appointment
of good ones.

Very respectfully,
Your Obedt Servt

Wm Secy. of War. Sir,

I have the honor to acknowledge the receipt of Special Order No 93, Adjutant & Inspector Genl's Office, directing me to report to Maj. Gen. E. Whiting, Wilmingtⁿ. N. C. for passing on my report and having been relieved from duty in that Department on two occasions within the last six months on account of my health; and believing honestly that my Constitution will be seriously impaired by returning to that post, I deeply & fully understand my Prerogative of the Commission. I have a slight Surgeon in the Principal Army of the Confederate States.

Sir - In response to your note of the 21st. ult. I have to inform you that I appeared before the Medical Examining Board at Rich. D. on the 4th of Decr. '52, and passed my examination for the position of Surgeon. I have full reason to presume that my examination was satisfactory. But by my sickness, the Board recommended me to the grade of Asst. Surg. only. It is true I had appeared before the Board before this period for examination, but it was under circumstances peculiarly disadvantageous, without preparation & fresh from scenes of profound distress in my own household. I was rejected on this occasion. I entered the Service at the beginning of the war - acted as Detached Surgeon, & was for 5 or 6 months in charge of a large Hospital at Harrisburg -

Your report of course a brief, succinct answer to your interrogatories, but I feel justified in calling your attention to the foregoing facts - I trust you will excuse me for so doing -

I am Sir most truly

Sir: Allow us to call to
your attention, Col. Dole, of the
14th Ga. Inf. commanding at "Camp" at
near Norfolk. We who know Col. Dole,
and are familiar with his merits as an offi-
cer, would offer many cogent reasons in his
behalf; but we beg to refer you to the
officers in command, his superiors, Genl.
Blanchard and W. H. Co. Col. Dole has
been seen in service nearly one year.
During that time he has shown abundant
evidence of his merit. He intends to re-
main with the regiment as long as it is
a regiment. During the past week, we
have seen three officers of the 2nd Ga. Bat-
-allion, elected captains in the new regiment,
from this State. They came home, all of them.
Col. Dole, doubtless, could have been as suc-
-cessful had he left his post. He is willing
to retire to his company, the "Walden Blues",
and resolute as a private. But we know his
Military qualifications so well, that we
cannot refrain from bringing them to your

favorable consideration. He has been used.
 His superior officers know his merits.
 To them we refer you. If you, or the

General

I have learned with regret that Captain
Lee has been at the hospital and has not
been engaged in his appointed work and has been ordered
to the hospital.

At this time I am on the hospital
and I am sure which will result from this
and enough to help me in asking the Chief
Commissioner of the State to reconsider his
order in the case and to have Captain Lee
continued in his rank and retained on duty.
He has shown zeal and energy in the
discharge of his duty which strongly recommends
him to me as the best man for his place especially
now.

Memorandum Sept. 12 1868
Captain Having had many official transactions with you during the past year both it may afford some present or future gratification to you upon the performance of what is a simple arithmetical on my part, I express as I now desire to do, my appreciation of the terms and manner upon which some of these official relations have been conducted. Not only have I derived assistance from you in the past but information which you have extended to agents of this office whom I have found occasion to send to, even though unable, but in several instances, having found it necessary to call upon you for such supplies as were needed for our Army post which at the time happened to be more abundant with you than in the department. I have noted your prompt and willing response to these calls. The generous and cheerful cooperation shown by you on these occasions, gave me favorable impressions of your good and capacity as a public officer. Impressions were increased when upon a visit to your City I noted your manner of conducting the large and important business entrusted to your care as Depot Commissary. To those who know you it may be superfluous to add that our business relations have been rendered pleasant to me by finding in you the qualifications of an agreeable & courteous gentleman.

Having had many official transactions with you during the past twelve months - it may afford some present or future gratification to you, if in the performance of what is but a simple act of justice on my part, I express as I ever deem it do, my appreciation of the terms and manner upon which you share of then official relations have been conducted - Not only have I derived assistance from you in the civil information which you have extended to agents of this office, where I have found occasion to send to, a thorough, reliable, but in several instances, having found it necessary to call upon you for such supplies as are needed for our Army and which at the time happened to be more abundant with you than in this Dept. I have noted your prompt & willing response to these calls. The energetic & cheerful cooperation shown by you on these occasions, gave me favorable impression of your great capacity as a public officer - impression, subject especially necessary, when upon a visit to your City, I noted your manner of conducting the large and important business entrusted to your care as Dept. Mobile, Ala.

Dec 25th 1864

I take the liberty of addressing you from my personal interest, and ask you to excuse me for doing so, and I hope to be in a position one of these days to return you the favor & Compliment.

Ever since the war, my whole attention has been given to the interests of the Service & served it, I believe faithfully & to the best of my ability & experience.

I commanded a Company at Fort Gaines & afterwards was taken as A.D.C. to Genl Jacob Forney. Remained here with him 9 months, during the last three months of the 9, knowing that I had been a large Merchant, recommended & was appointed Capt. Acc. in this district, where I remained for 15 months & by new law then & favoritism to others, was dropped as Depot Commissary here and another placed in the position, Commissioned since the then new law prescribing I believe for the Commissaries - However Subalterns Subalterns - He seems satisfied - it set ainted I'll be Comdr. in force - I served afterwards as Provisional Captain Adjutant to the Provisional Bureau of this department & lost the position last August when I was enrolled at my request, but recommended by the Medical Board, ever since for light duty, which position I now occupy, but in this office with Messrs Genl Manning as Chief Confidential letter Telegraph & Field Marshal.

to Col. Jas. A. Sisson, being a very good
col. ~~and~~ Col. Palfrey. Know any friends well —
please endeavor to get me Commissioned again as
Captain or Major in the A. S. Department of
land on the ~~Dravid~~ list to the "Dravid Corps"
to report to "District of the Gulf" and I will be
very thankful — applications of Mr. Abbotson of
the most influential character have been sent to
the War Department, but so far I have not been
successful. Please do what you can for me & ask
my able friends Hon. Ch. Gillette & ^{Supra} ~~Remond~~ ^{Remond}
if you read M. C. from Ky & La to help the
matter if they can — I will be very grateful.
I am (believe) thoroughly posted with War Dept
& Genl Departmental orders & duties of military
orders & conscription — I abandoned ~~as~~ a very
large & lucrative business here at the beginning
of the war & have done none ever since, when
I could have made a large fortune had I remained
in it like many others, who are by some means,
still in it —

I wish you a most happy Christmas
& "New Year" with my warmest regards & best
compliments to yourself Hon. Gillette, Remond & Palfrey —
I remain — Col. —

Very respectfully
I am obedient friend

I hope that after

Certificate of Disability
given to Wm. L. Garrison
by C. M. Wood

Med. Dir. of the U.S. Army
New York, N.Y. 1862

I certify that I have examined
Wm. L. Garrison and find
him incapable of performing the
duties of his office because of chronic
dyspepsia and extreme prostration.
His general health which had been
quite failing for several months prior
to his coming to this department is still
much more impaired by the prostration and
prostration of the disease. He has been
confining to his room almost all the time
since his arrival here. He is not
able to perform the duties of his
office and it is not probable that he will
be able to do so for some time.
It is to be regretted that the greater por-
tion of his time is spent in bed or in
a reclining position. He is not
able to perform his duties and his
attention is so entirely absorbed by his
disease that he is not able to do any
other work.

His reduction in rank is, however, not
to his loss of strength, the best recent condition
being as, thing, but one asked for his own
satisfaction, believing, that it is absolutely
necessary for the restoration of his
health that he be released from all com-
munications and recommended that leave
of absence be granted him for sixty
days - as in my opinion he will not
be able to resume his duties in a less
period.

Dear Sir

My son 1st Lt. Daniel
S. Donaldson will be 21 years of age the
2^d of Dec. 1863. It is my earnest
desire that he may then receive an
honorable discharge from the service
of the Confederate States.

He enlisted in the service of the State of Tennessee for one
year at the age of 16 years. He has
served in the most dangerous
and bloody battles of the war and has
been in the front of the fighting.

He has been severely wounded in the
arm and leg and has been
in the hospital for several months.
He has seen many of his
fellows killed. Although he has
his health has been much impaired by

Samuel S. Donaldson

remaining in duty 24 months.

He was in England for months
and is now in prison in the
exchequer.

May I ask you as a friend to
assist him in returning home.
In the name of him who will ask
and you shall receive his petition
before the throne of mercy. Will you
join me in prayer for him to be
despatched, soon, to his home.

My Dear Sir

I am sorry to hear that you are asking
him to resign as a matter of course
from the Anti-Slavery Society.

If it is necessary, let him go, but
be sure to let him know that he is not
to be considered as a deserter, but as a
man who has been asked to resign, and
of course he will be glad to do so.

I am sure that you will be glad to
hear from him again, and I am sure
that you will be glad to hear from him
again.

I am sure that you will be glad to
hear from him again, and I am sure

Private Peter Donlin of Co. "I" 15th Ill. Regiment,
having applied for a certificate upon which to ground
an application for appointment of Hospital Steward,
we do hereby certify that we have carefully examined
this soldier and find that he is suffering from Syphilitic
Sarcocela and Chronic Rheumatism. He has suffered
from the effects of Constitutional Syphilis two years,
during which time he has been under observation in the
General Hospital at this Post. And that, in consequence
thereof, he is, in our opinion, permanently disabled for
all active service in the field. We therefore respectfully
recommend that he be appointed as recommended in the
accompanying Report of Board of Examiners.

Chambersville Ala. Sept 8th 1863.

We hereby certify that we have carefully examined
Peter Dartin, Private, Co. I. 18th Regiment, La. Vols
and find him unfit for active service in the field
because of syphilitic Sarcoside and Chronic Rheuma-
tism.

The enlargement of the testicle is such as to prevent
him from walking or taking active exercises of any kind
without suffering severe pains. The Rheumatism from
which he has suffered for two months is much aggra-
vated by exposure to cold and damp weather.

It is our opinion that he will probably never
be able to resume his duties in the field. We therefore
respectfully recommend that he be detached in the
medical department of the army, and that he may be
assigned to duty as a Wardmaster in the General Hospi-
tal at this post.

Hon. S. R.

Dear Sir:

You did me the favor last Sept. a year ago to recommend me to the position of Chaplain in the Mo. Brigade (of Genl. Cochrane) at the request of Father Bauman, the former Chaplain.

I have held that position ever since, but at now, the number of Catholics in the Brigade is much reduced - It is scarcely worth my time to remain for those few especially as there are other Catholic priests attending that army - (now under Genl. Hood) and especially as my services are needed much more elsewhere -

I therefore respectfully request that you would ^{send} my resignation which I have enclosed, being accepted, and you will confer a great favor on me.

Respectfully yours Abt. Lunt.

T. J. Donnelly
Chaplain

P.S. Please direct to me care of
Durham Mobile Ala.

I would be pleased if you could obtain my resignation at once.

Enclosure to 735-

Genl.

I have the honor of tendering to you
my resignation of Chaplain of Mo. Brigade
C. S. A. My services are not now needed
very much, from the fact that the number
of Catholics under my charge ~~is~~ consid-
erably reduced since the late Campaign
in Ga. commenced, and my services are much
more needed elsewhere. I have the honor
also to state that I am not in any way
indebted to the C. S. Government

I am with much respect Genl.

Your Obedient Servt.

I am much obliged to you for the
check of \$100.00 on satisfaction, and am
truly glad to hear that all is well for the
present.

I am left without saying so much
the impression that acquisition has not been made.
I am glad to hear of the organization of the C. S. F. in
which you are a member, which has been in the
last year to the amount of \$100.00 and I am
glad to hear that it is well, and to the fact
that the article mentioned in the last issue
of the paper has been brought about by the
acquisition of the same since the first time
I saw it. I am glad to state that the
acquisition of the same is a great deal of
to show the fact of an acquisition.
A great deal of clothing is still

much, particularly those, which, I

Secy of the Treasury

My dear Sir

In reply to the note which you did me the honor to address me touching the appointment of Chief Tax Collector I beg leave to say that, in my opinion Thomas W. Dorswell of the City of Richmond would make an excellent collector, if Geo. C. Garrison is not appointed, my opinion as to whom I have at his request already expressed in writing —

Mr Dorswell was for several years deputy Sheriff of the County of Harrow, and after his removal to the City of Richmond he was elected high Sheriff of the City and continued as long, as under the State Constitution, he could be — The duties of these offices he performed in the most satisfactory manner, always paying in the Revenue so promptly (and sometimes in advance) as to receive the warm approval of the Auditor of the State — He is a man of as high integrity and nice sense of honor as any in the State, and as ardent in our cause as any in the Confederacy — He was a volunteer aid to Genl. Sharpe, and with him, when he was killed, although he had furnished a substitute for the War

and has been loaned by him a ~~Staff~~
appointment which would have put
him in commission with pay
commensurate his personal character and
his fine business habits, and successful
experience in the office of Sheriff (who is
also tax collector), I know of no one who
would fill your office of tax collector, so
well as Mr Dorwill, and entertaining
a warm regard for him, I shall be
very much gratified by his appoint-
ment, if Col Gadnell is not to be re-
ported -

With great respect
I am, very truly y^r

Dear Sir,

Thanks for your prompt attention. Young Lester has been in active service since his graduation from the Mil. Academy. He has done duty also as Drill Master - I thought I mentioned these facts in my letter to the President. I am very desirous of getting this appointment if possible before my return home.

The President

Sir,

I beg leave to re-
commend for ~~appointment~~ ~~to the~~
my Congressional District - no
one having been yet appointed -
James B. Gotterer, a graduate
of the S. C. Military Academy. He
is a young man of high character
and great intelligence and eminently
entitled to favorable consideration.
He is about 18 years of age -
I desire to withdraw in his favour
any recommendations which I may
previously have filed in favour
of others. I consider him far

may get the affair over the
in one else we have come under
in consideration.

With the further request that
you would act up on the matter
at your earliest convenience

The President

Sir

In the application which I had the honour of making to your Excellency a day or two ago for the appointment of Jas. B. Katterer as a Cadet from my Congressional District I inadvertently omitted to mention that since his graduation from the South Carolina Military Academy he has been in active service in the Army and part of the time has served as Drill Master. As I feel a

special interest in this young
gentleman - who has the highest
testimonials - I desire to withdraw
a previous recommendation of

Robbins (put on file some
12 or 15 months ago) for the ap-
pointment now asked for young
Scotcher. Your early attention
to this application will oblige

Yours very respectfully

Sir,

I would be much
obliged to you if you could expedite
the appointment of the Cadet
for my district. I made applica-
tion some time ago for the ap-
pointment & your letter
a graduate of our State Mil-
itary school a most worthy
and gallant young fellow who
since his graduation has been
in active service. He is now
on the West, shouldering his
musket as a private in Stearns
regt. From his military training
he might be much more useful
in some other capacity, at
any rate I understand that

Cadet's from other States have
been generally appointed upon
the recommendations of the
Members of Congress in whose
districts they have resided
and I hope an application
will receive attention at the
Commencement of the President

Very respectfully

Yrs. D.

Wm. Wilson

My application is in the Post Office
in Mr. Brown's care -
I should be much obliged
if you would take
occasion to call the President's
attention to it.

I would be delighted to see
Charlie Porcher get some posi-
tion - but so far as the "Cadet-
ship" is concerned I could
not do any disservice to
Arthur even if my own
brother were to be served by
it. I must therefore again
respectfully urge upon the
President the appointment
of Arthur. I understood
Charlie Porcher's father to
say that the President had
promised him a Lieutenantcy
in one of these (so-called)
Regular Regts - 1st P. C.
Acty or 1st P. C. Inf.
Vacancies are constantly
occurring and I should
think there would be no dif-
ficulty in giving him a
place. Very faithfully yrs
W. Porcher Miles

Dear Sir

Yours of the 24th
reached me yesterday and
I hasten to reply to it.

I had been under the im-
pression from what I

had been told by various
members of Congress that

the nomination or rather
recommendation of a young
man for the Cadetship

in a particular Congress
dictated by the Members of
Congress from that State

was sufficient to procure
the appointment, unless there
was some valid objection
in the particular case.

I have requested and
urged the appointment of
Young Scatterer - whose
claims seemed to me
very strong in every point
of view. I am bound
in honour and good
faith to him and to
his relatives and friends
to do all in my power
to procure him the ap-
pointment. I had
suffered from what

I stated that there could be
no difficulty in the matter.

Young Porcher is a relative
(though not a near one) -

his father and mother and
all his connections
are dear friends of mine - but

I have never urged his
appointment to the Cadets

: ship and I cannot

abandon Mother to

Whom I have been com-

: mitted for a long

time. I cannot show

any favoritism in the
matter - and especially

could not do so at the

expense of my pledged word.

Jackson, Miss, April 22^d 1863.

Sir -

I enclose by to-day's mail both applications for the exchange approved by the Medical Director & Lt Col Pemberton. I regret to infer from the P. S. to your letter that you had not consulted Surgeon Stout on the subject before writing, thus creating a doubt in my mind both as to the sense of the application & the degree of my acceptance with him. Of course you know nothing of my qualification but it is presumed that we stand in this particular upon an equal footing. Upon examination you will observe that your application having Col. Pemberton's direct approval upon it - I called Maj. Remondingue (A. A. S.) attention & he assured me that the papers were regarded on the right of our officially - both tending to the same end - therefore needed only one endorsement. With the warmest hope that you have your part of the matter as securely fixed as mine I await with patience its further forwarding.

Yours Respectfully

HARPER'S FERRY, VA., May 18, 1865.

GENERAL ORDERS.

No. 36.

I. Before a Military Commission which convened at Martinsburg, West Virginia, May 8th, 1865, pursuant to General Orders No. 32, dated Headquarters Military District of Harper's Ferry, Harper's Ferry, Va., May 8th, 1865, and of which Major O. A. Hoar, 1st Maryland P. M. B. Cavalry is President, was arraigned and tried:

1. Henry K. Douglas, paroled rebel prisoner, claiming to be a Major and A. A. G. in the Confederate service.

CHARGE FIRST:—"Violation of Parole."

Specification:—In this, that the said Henry K. Douglas, claiming to be a Major and A. A. G. in the Confederate service, being duly paroled at the surrender of the Army of Northern Virginia to Lieut. Gen. Grant, did, in violation of said parole, commit an act of hostility against the United States, to-wit: did appear in the streets of Shepardstown, Jefferson County, Va., being in the military lines of the United States, in the uniform of the Confederate service, a badge of treason and rebellion, and as such, marking his hostility to the Government of the United States, and intended and designed to encourage and incite rebellion against the Government of the United States. All this at the town of Shepardstown, Jefferson County, West Virginia.

CHARGE SECOND:—"Violation of Military Orders."

Specification:—In this, that the said Henry K. Douglas, claiming to be a Major and A. A. G. of the Confederate service, did appear in the said uniform, a rebellious and treasonable garb, designing and intending thereby to bring into contempt the existing Military Orders of the Military District of Harper's Ferry, and to incite treason and rebellion against the Government of the United States, and within the Military District of Harper's Ferry, and in violation of General Orders, No. 36, as follows, viz:

"HEADQUARTERS MILITARY DISTRICT OF HARPER'S FERRY,

Harper's Ferry, Va., April 26, 1865.

GENERAL ORDERS.

No. 36.

The terms of capitulation of the "Army of Northern Virginia," to Lieut. Gen. U. S. Grant, permit the officers and soldiers of said army to return to their homes, and to remain there unmolested, unless guilty of acts of hostility to the United States.

All officers and soldiers of said Army of Northern Virginia, availing themselves of the terms of said capitulation, coming within this Military District, will be held to have violated the terms of their parole, who shall be found wearing the uniform of officers and soldiers of the Confederate Army, or who shall speak treasonable language against the Government of the United States, or who shall use menacing language, or offer violence to the persons, or cause or destroy the property of loyal citizens. And it is made the duty of all officers of the United States, within this Military District, to promptly arrest all parties guilty of such offences, that they may be brought to trial before a Military Commission.

All persons who shall make, furnish made, or furnish the material for any Confederate uniform, within this Military District, will be held to be guilty of an act of hostility to the Government of the United States, and will be promptly arrested and brought to trial before a Military Commission.

By ORDER OF MAJ. GEN. JOHN D. STEVENSON.

(Signed) S. F. ADAMS, A. A. G.

All this at Sheppards-town, Jefferson County, Va.

CHARGE THIRD:—"Treason."

Specification.—In this, that Henry K. Douglas, owing allegiance to the Government of the United States, did take up arms, and with others, did attempt to overthrow the Government of the United States; and in furtherance of said purpose and design, did come within the lines of military occupation of the armies of the United States, to wit: In the town of Sheppards-town, County of Jefferson, State of West Virginia, and so being within the military lines of the armies of the United States, did, on or about the 5th day of May, 1865, at the town of Sheppards-town, aforesaid, appear on the public streets in the garb and uniform of an officer of the Confederate forces, with intent thereby to weaken and destroy the Government of the United States, and to incite treason and rebellion against the same, and to give aid and comfort to the enemies of the Government of the United States. All this at Jefferson County, West Virginia.

To which Charge and Specification the accused pleaded as follows:

- To the specification of 1st charge, "Not Guilty."
- To the 1st charge, "Not Guilty."
- To the specification of 2d charge, "Not Guilty."
- To the 2d charge, "Not Guilty."
- To the specification of 3d charge, "Not Guilty."
- To the 3d charge, "Not Guilty."

The Commission having maturely considered the evidence adduced, find the accused, Henry K. Douglas, claiming to be a Major and A. A. G. in the Confederate States Army, as follows:

- Of the specification of 1st charge, "Guilty," so far as the words, "and appear in the streets of Sheppards-town, Jefferson Co., Va., being in the military lines of the United States, in the uniform of the Confederate States service."
- Of the 1st charge, "Not Guilty."
- Of the specification of 2d charge, "Guilty," with the exception of the words "Disregarding and interfering thereby to bring into contempt the existing Military Orders of the Military District of Harper's Ferry, and to incite treason and rebellion against the Government of the United States."
- Of the 2d charge, "Guilty."
- Of the specification of the 3d charge, "Guilty," so far as the words "did come within the lines of the military occupation of the armies of the United States, to wit: In the town of Sheppards-town, County of Jefferson, State of West Virginia, and so being within the military lines of the armies of the United States, did, on or about the 5th day of May, 1865, at the town of Sheppards-town, aforesaid, appear on the public

streets, in the garb and uniform of an officer of the Confederate forces."

Of the 3d charge, "Not Guilty."

And the Commission do, therefore, sentence him, Henry K. Douglas, Major and A. A. G. of the so-called Confederate service, to be sent to Fort Delaware, there to remain for a period of two months, in confinement.

II. The proceedings, findings, and sentence, are approved. The wearing or display of any badge of treason within the United States, proceeds from a spirit of hostility to the established government. The purposes of the Government, and the whole purposes of the war, are to utterly eradicate such feeling in the country. Acts savoring of treason, of themselves, cannot be palliated—this is one of that class. The prisoner, Henry K. Douglas, will be confined at Fort Delaware, for two months, in accordance with his sentence.

By ORDER OF MAJ. GEN. JOHN D. STEVENSON.

Richmond, Va. October 11: 1864

Hon: Gen. A. S. Johnston,

Sir

James T. Can-

your attention to the enclosed paper
concerning my status as a
Provisional Army, with

view to the procurement of my Commission
in the service as early as being

in the year 1861 - and attached myself
to the 1st Texas Infantry. I was

Commissioned Adjutant of his Command
for the year 1861 - and in this capacity served

until after my exchange at Vicksburg
in the fall of 1862. In the summer

of the same year I was ordered to Texas
by General Sherman, the Regiments of Texas

engaged in this, an order was issued
by Gen. E. Kirby Smith, directing

all officers belonging to the same
east of the Mississippi to report to the

respective District Commanders of the
State in which they resided. This order

is notorious and can be verified by Col. Lubbock now on the staff of His Excellency the President, and who was at that time Adjutant General in the Texas Militia. While awaiting orders a Battalion of Cavalry was organized and I was appointed Adj. Gen. on the 18th of Oct. 1863. (See appointment attached.) I had not been many months before the Comd'g Officer was accidentally killed; the Battalion was consolidated and I received from duty leave with and assigned to as Adj. (The order also attached). Since that time I have been faithfully in the discharge of my duties; have been for a single day absent from my office; and owing to the fact of the great distance from Capital have been unable to procure my commission. I will also remark that soon as the change was made in my status as an officer I made mention of the facts to Gen. Terry & Gen. Canby; the facts were sent to the War Department and L. Blain

and all the necessary documents in my station report at the War Department. I was appointed Adj. Gen. of the 1st Cavalry and with these facts, together with the fact of being with me as Adj. Gen. and integrity having been in the discharge of the duties for over a year, I am confident it is simply a matter of time before the Government of the United States will correct all of which is respectfully submitted.

Baridson, by whom I was appointed A. A. H. of the Battalion Commanded by him is desiring of having me enter upon the discharge of my duties. The Battalion is absolutely suffering from neglect in the Pay Department - and I cannot though bonded, draw their money until I have an order from the Hon. Commanding assigning me to duty with some particular organization.

would, were I able to travel, report to you in person for assignment to duty with him - but I have now been indisposed for about three weeks and am hardly able to get about. I am personally known to the majority of the Government officials at this place and am satisfied that I will have no difficulty in materially assisting in the perfection of the organization when properly ordered for duty.

The enclosed letter from Mr Col. Robertson touches for me and is respectfully submitted to your consideration.

Houston. January, 23^d 1865

Captain: I have the honor to request that an order be issued authorizing me to impress in this City, for temporary use, every description of transportation.

I have now on hand, ready cut and corded, seven thousand cords of wood, awaiting transportation. It is at a point three and one half miles from Houston, and on account of my own scarcity of teams I am compelled to urge this matter, as the necessity for obtaining a supply of fuel is daily growing greater.

I am under the impression that in five days I will be enabled to have the whole amount transported to this Depot.

Captain: In obedience to the requirements of the Major Genl Comdg I am leaving my leave of absence for sixty days. I have the honor to report that I have purchased 7000 Bushels of Corn for the use of the Post of Galveston from the old crop which is fresh being shelled and transported to this place en route for Galveston. I have also made arrangements to have over to Capt Slog 4500 Cords of Wood during the month of July & August and the same quantity during the month of September, which with the 2500 Cords now on hand at Galveston and the 2000 Cords to be delivered from Houston will make in the aggregate 13500 Cords for that Post alone, which will be ample for all demands during the winter.

I have transferred to Capt Lee A. G. M. at Beaumont. 4000 Bushels Corn which he is now transporting to his post. - This of the old crop will answer the purposes of the Post of Sabine Pass & Arhitts Bluff until the new crop is gathered. They will then have no trouble in supplying themselves as the crop is abundant every where.

I therefore request that the order be issued granting me leave for sixty days as implied in the endorsement of the Major Genl. Commanding. I pledge myself that the above

Halifax, January, 29th 1865.

Captain

I have at Liberty (12000) Tons of Corn on 41st Boat, a supply sufficient to meet the wants of the Port of Halifax for two months. These boats have been lying at Liberty undisturbed ever since last Tuesday - and although I have notified the proper parties at Halifax I think no steamer has yet started.

I now propose to send an agent with twenty men by a messenger train to Liberty for the purpose of pumping down the boats and to keep them from drying. To this end I would request fully to ask that an order be sent on the Labor Bureau for three twenty men for some more and that they be transported to me as soon as possible for my service.

I would also request fully request that the Com^dg Officer of the Harbor of Halifax be urged to send the Steamers to Halifax as soon as possible.

As the river is rapidly falling and the most serious consequence will result from retaining the Corn in leaky flats. It might be all mean to be removed at once. May then be delayed here but telegraphed to Halifax but as yet the steamers have not started.

Major

In obedience to instructions received from Dist. Head Qrs. to proceed to Liberty and investigate the character of the gross abuse and neglect in my Department at that point, I have the honor to report through you for the information of the Major General Comdg. the following statement of facts in connection therewith.

It will be first necessary to state however, that immediately on receiving notice from Major Washington that the yacht "Blackbird" had sailed from Magnolia, I telegraphed to the U. S. M. & T. Station to obtain a boat and have it in readiness to send to Liberty for corn. This was promptly done, but owing to the lack of supplies at every other point, I was only enabled to send 1000 bushels to Galveston. The remainder of the first arrival was distributed equally among the different points. On receiving information that twelve other boats had started I wrote to Capt. B. C. Cunningham Post 2. M. at Liberty, under your instructions, directing him to be in charge of on arrival, discharge and ship at once to points designated the whole quantity so received. In consequence however of the sorry condition of the Texas & A. C. R. Road, but little corn could be transported at a time. In the mean time, an order was issued from Dist. Head Qrs. directing me to turn over to the U. S. Dept. 3000 bushels of corn and act upon the supposition that man ought to be fed before animals. I used all energy in

sending this forward which has been done. I also received orders to send a large quantity of Corn to Beaumont for the use of a Brigade of Cavalry en route to Houston, this in a measure diverted the storage from the channell for which it was intended: this also has all been shipped.

Of the 20,000 Bushels which have arrived at Liberty, in six days ago all except about 5,500 Bushels which I have reserved for Galveston, has been disposed of, and sent to supply the urgent demands at Houston. Beaumont. Sabine Pass. &c.

With regard to the neglect of duty on the part of my Agents, if such statements have been made to the Major General. I pronounce them false and malicious and without any foundation in truth, and defy the informant to produce satisfactory evidence that such is the case.

In my arrival at Liberty, before seeing Capt. Cameron, I made inquiry of the most respectable citizens of the County, with regard to the course pursued by him, merely asking the information as one not concerned. In every case undisputed evidence was offered me that he had exalted himself and had used the most unbecoming energy in his business. The statement as made above of the quantity delivered and the time consumed will give abundant proof to this. I will state also that Capt. C. had but four small Wagons to do the work assigned him, viz the discharging of their cargoes.

I had also a long conversation with Capt. Peacock the contractor of these Wagon, with regard to the damage sustained to the Corn in transportation. He informed me that rain fell for ^{over} twelve successive days while en route to Liberty, and that it was beyond the power of the drivers in moving the loads to keep them entirely dry.

The loss involved will not exceed 4000 Bushels out of the 20,000, this considering the immense volume of water which has fallen is indeed small. The damage too does not involve total loss, as the Corn when dried can be consumed by Horses or Mules though unfit for Bread. The Godder shipyard, was damaged for the reason as set forth by the Agent sent by me to investigate this matter long before I received the order to proceed myself. I will state further, that no Agent properly of my Dept. has had any business whatsoever in the delivery of the Corn, it having been done by a regular Officer of the Government assigned to duty at the Port of Liberty by competent Authority, and who has to my mind proven himself a competent Officer and zealous in the discharge of his duties.

Having nothing further to report and the flats all discharged I would respectfully ask that I be relieved from duty here, and sent back to Houston when my presence is required. I have the honor &c

Capt & Agt

Since writing the above Capt. B. M. High, my Agent on duty with Charles Washington informs me he has staved down five more flats with an aggregate cargo of 10,000 Bushels which will probably arrive today.

This Corn will all be shipped to Houston for Port supplies

Some time since I made a contract with Mr Frank J. Lewis for cutting a quantity of hay for this Dept. a copy of which contract is enclosed. Mr Lewis commences operations in good faith. He has recently been ordered to be conscripted. I have much appreciation to Brig Genl Grant for a temporary detail which has been agreed on the ground as far as endorsement that these contracts can be made with disabled men.

I would respectfully request that you will please attend to this matter as it is imperative to this Dept that the detail should be granted for a limited time, and in order to carry on the contract it is indispensable the detail should be granted.

Please forward this to Genl Grant who I have been informed is in town, with such endorsements as in your judgment the matter requires in order to obtain the detail for sixty days.

Captain: I have read with

I was ordered by
Major Bloomfield to settle up all claims against
my Department and to superintend generally
the business of our agents scattered throughout
the Country since the 1st day of July, at
which time the affairs of all A. M. are required
to be audited and a deposit made of the
surplus funds on hand.

An officer who is
compelled by force of circumstances to employ
men in this branch of the service whose
capacity and tact is in many cases out of the
almost worthless, cannot himself discharge
his duties unless he keeps a watchful eye
over the acts of his agents and employers.

My District embraces an

and my agents - over fifty in number - wounded
officers & crippled soldiers, with no knowledge
of business are assigned to duty in my
Department and I am held responsible for the
acts of irresponsible and ignorant agents.

This was the cause of
my absence: - For three years & three months
I have been in the service of the Govt

and during that time have made but
one application for leave of absence, last

Captain:

"I have in the vicinity of this City, a tract of land, transferred to me as Govt property by Capt. John S. Tracy, Chf Qr. Mr. Trans Miss. Department, which has thereon, about one thousand, five hundred cords of wood, convenient for loading on the Bayou.

Lieut. S. B. Raby, Andersons Regt Texas Cavalry, has contracted to furnish twenty or more negroes, for the purpose of cutting his wood: with the proviso, that he be detached temporarily from his command, for the purpose of Superintending his hands. I would

therefore respectfully ask that he be ordered to report for duty with me for the space of four months, in order to enable him to carry out the provisions of his contract.

Relative to the Report
from his Brigade

Sir
I have the honor to enclose
the Returns of sick attended of the
Regiment of the 6th Brigade Army of
the Potomac. 1st Regt Georgia Regulars
and 2nd Regt Georgia Volunteers. I regret
to report that I have up to the 5th
inst. been unable to get returns
from the Surgeon of the 10th Regiment
Geo. Volunteers, since for August &
September, tho I have taken oc-
casion to urge him to bring them
in. It is possible they may be sent
in on any return to our Head Quarters
after our period for the performance
of picket duty has expired. Their
early transmission will claim my
prompt attention on my return.

In connection with this subject

I regret to say that the Hospital
Records both of the 2nd & 15th Regts
Our Volunteers are both very inac-
curately and incompletely kept. This
I am endeavoring to correct as far as
possible as soon as my regimental
duties will allow. I am

Sir

I have the honor to inform you, that on yesterday I issued transportation tickets for fourteen soldiers, returned to duty, and ordered to report to their respective Regiments. I was informed by the Hospital steward, that after being put on the regular train this morning and after passing across the river, they were ordered off by the Conductor and sent adorning to pass over the road.

In the transportation of soldiers discharged from Hospital limited to special trains for that purpose.

I am very respectfully,
Yr. obt. Servt.

Quartermaster's office.

Greene Ala July 4th 1864

General

My position here is so exposed and so constantly threatened by the enemy that I may find it necessary to abandon it at an early day. Gen Sherman's whole command 20000 strong are encamped in and about Huntsville 24 miles east of us. They also have a large cavalry force at Mooresville only six miles from us across the Tennessee River which is now considered the line. We learn today that Gen Roddy commanding our forces in this valley has been ordered away with his entire command. When he leaves there will be nothing to prevent the Yanks from coming in at once which they will doubtless do. I shall therefore be compelled to leave North Ala. as soon as Roddy's command leaves. I shall go as directed by you to Marion Ala and report to Major Geo W Jones Jr. Ma. but think it more than probable (from the large excess of Quartermasters in Ala) that he will not have work for me. I would therefore

ask of you the favour to give me my
old Post at Grenada Missi. I had been
Post & Dr. Ma. at that place the most of 1862
until relieved by order of Col. Meyer in
December of that Year, and placed on Special
Service. When I last heard from there Capt
Williams & I were a young man belonging
in the field was in charge of the Post.
If you will permit me to return to Grenada

This will be handed to you
by Capt A. E. Douglas, Quartermaster of Col Harrison's
Brigade in the Cavalry Division, who has recently learned
that there is some difficulty relative to his official Bond,
and visits Richmond for the purpose of making all things
right, in regard to his Bond.

Capt Douglas has made a very efficient Officer, and
it is hoped that if his Bond has not been received, that
he will be allowed to file a new Bond. His course as
Adj. Genl. has given general satisfaction to his Command
and it is greatly preferred keeping him, to taking a
man they know nothing about.

Capt Douglas will promptly comply with any things
required of him in the premises, and I respectfully request
that he be retained as Brigade Quartermaster of Harrison's
Brigade.

I certify that I have attended Dr J. E. Gouchell Assistant Surgeon of 21st N. C. Regiment and that he is laboring under Chronic Dysentery of an aggravated nature complicated with symptoms of Diabetes (an affection of the kidneys). My opinion is that a change of climate and the free use of water from Chalybeate Springs is requisite for a cure and permanent restoration to health. I further declare my belief he will not be able to undergo the duties of an active campaign for an indefinite period and I would respectfully recommend his removal from the army.

July 2nd 1862

To Hon. Sec. of War.

Secretary of War. Gen.

I have the honor to

send my resignation as Capt Surgeon 2nd Regt N.C. Troops
for compelling reasons. 1st The condition of my health, having
suffered severely from dysentery since March, am much emaciated
with rather tedious prostration. I have been unfit for duty 107
days in the past 12 months, and I feel unwilling to subject
the Government to expense in paying me a salary for services
I am unable to perform. 2^d On account of my health I declined
appearing before the Army Med Board for examination in March.
3^d Hoping, personal relations with the Surgeon of the 2nd Regt N.C.
with whom should I regain my health I cannot serve in my present
capacity. For the same reasons and especially on the score of physical
suffering I tender my resignation and I humbly pray immediate attention
will be given my report and my resignation will be accepted as my fur-
longest will see to it and my physician urges my immediate removal
to the Springs. Enclosed please find Certificate of Dr. D. H. Cash

I have the honor of
making to you a report for the month of October of the
Medical Officers and Contract Physicians on duty in this
Hospital.

Surgeon J. S. Latchum and Assistant Surgeon H^m
A. Duggan were on duty here in October.
No change has been made of the Medical Officers in said
month. In this connection I beg leave to state, that in August
last Dr. J. E. Goullett of this State offered his services to aid
me in my labors and is here. I had then and have had ever
since upon an average about two hundred and twenty patients and
I have been glad to have his aid, prompted I am satisfied
by favorable notices and more of his profession, as he is not
I have not been in any direct contact with him. I should be
pleased to have a continuance of his excellent services but must
most respectfully recommend that he be paid as a contract
physician. He is willing to continue to aid me.

I need no additional Medical aid.

I have the honor to remain

Very Respectfully
